

# DRAYAGE

We provide drayage services in all markets with a large capacity and competitive pricing. Our customer satisfaction remains one of the highest in the industry and clients continue to trust us with large volumes.

Your freight can be delivered either from the port or rail right to your door or from your door right to the port or rail, saving you money in the process.

Our dedicated and knowledgeable team can help you by:

- Coordinating the loading or unloading of containers at the rail yard or port, delivering your goods, and then returning the empty or full container
- Utilizing our large network of carriers to secure reliable capacity and competitive pricing
- Scheduling pick-up and/or delivery on a tight turn around, for port cut, or to get your freight out before the Last Free Day
- Arranging the transfer of your freight from the shipping container to an over-the-road truck for long distance shipments
- Helping you avoid unnecessary fees by assisting with overweight, refrigerated and open top (with limitations)
- Providing strong partnerships in New York/New Jersey, Los Angeles/Long Beach, Florida, Texas, Georgia, and South Carolina
