

SEAFOOD

We arrange 40,000 temperature-controlled shipments each year, servicing all types of fresh and frozen seafood across the industry. Our logistics experts know the complexities of shipping seafood, tracking temperature and time en route to deliver your product at peak integrity. Our parent company, Burris Logistics, is the most knowledgeable cold chain provider in North America.

OUR SERVICE FOR YOU

- Shipping arrangement of all types of seafood, including shellfish
- Obtaining additional insurance coverage on your behalf for high-dollar cargo, like lobster
- Processing seafood freight claims on your behalf
- Arranging drayage with containers from national ports
- Technology to view and track your shipments

Contact your Trinity Representative today for more information or visit trinitylogistics.com to discuss your company's unique needs.
